Dear Mr. Penny:

Enclosed is a copy of the work plan for the Munitions Removal Actions and MEC Support Activities project. Other than the change in the contract and prime contractor, the work plan is unchanged from the previous plan approved and by the Navy and regulatory agencies.

Copies of the work plan have been distributed to the Vieques Munitions Response members for their reference.

Thank you for providing Shaw E&I with this opportunity. Should you have questions or comments please do not hesitate to call me at (757) 640-6937.

Sincerely,

William L. Hughes
